OUTSPOKEN

A post starts a useful path.

1 **Understand the business**

Real knowledge, buyers and a useful point of view.

2 **Make the profile clear**

Who you help and what someone can inspect.

3 **Build useful content**

One buyer question, a clear example and a takeaway.

4 **Continue the conversation**

Relevant replies, checked context and an agreed next step.

VOICE + PIPELINE BUILDS ON THE CONTENT FOUNDATION

OUTSPOKEN

Start with useful material.

Bring

Your product or service page, existing material and buyer questions.

Discuss

Who is it for, what needs to be clearer and what can we show?

Leave with

A short summary, priorities and a useful next decision.

OUTSPOKEN

One example. Three useful posts.

01

EXPLAIN

The decision

Why did the team choose this approach?

02

SHOW

A worked example

How does one task work, including an exception?

03

HELP CHOOSE

A practical checklist

What should the buyer check before deciding?

OUTSPOKEN

Give the reply a useful next step.

A RELEVANT EXAMPLE

Can you send me details?

A REPLY COULD BE

Of course. Here is a short example of our interview-to-post process. Which part would help you most: ideas, writing or review?
