OUTSPOKEN

QUESTION 01

01 What decision did you make?

Ask for the context, the options and the people affected.

QUESTION 02

02 What did you rule out?

The alternative and the reason can make the thinking concrete.

QUESTION 03

03 What can you show?

Identify a safe example, a diagram or evidence the team can share.

04 Turn the answer into a series.

Explain the choice, teach a method, compare options, clarify a limit, or answer an objection.
