OUTSPOKEN

BUYER ENABLEMENT

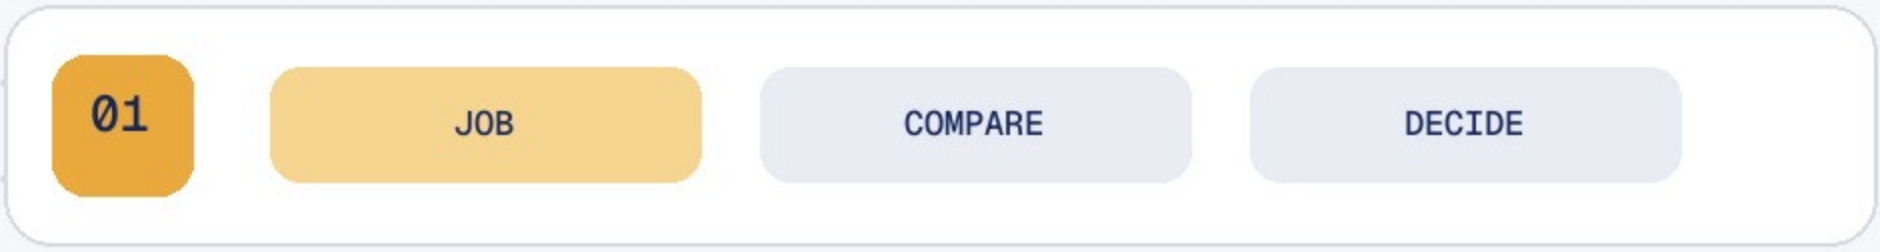

Help buyers compare the options.

FIRST

Define the job.

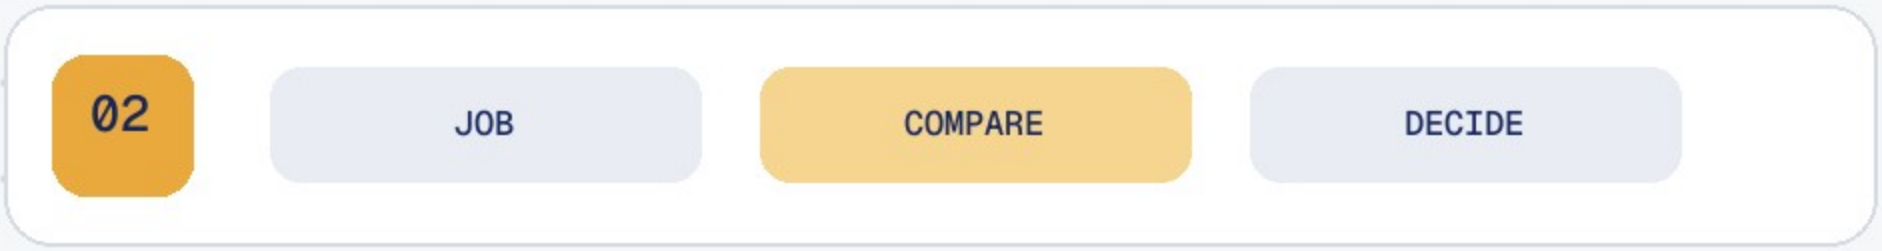

What must the team complete, and how will they know it is done?

SECOND

Check the operating conditions.

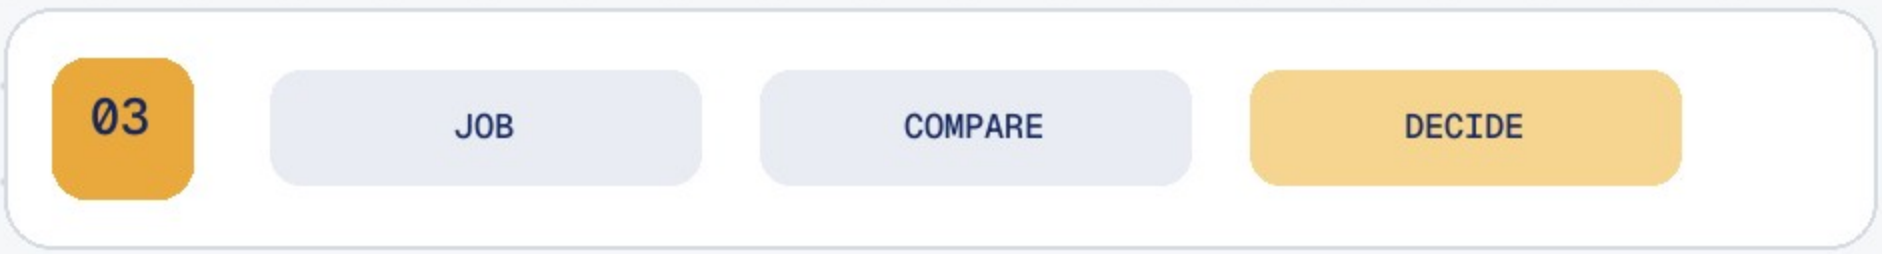

Consider inputs, security, implementation and the people involved.

THIRD

Compare trade-offs.

Show where each option fits and where it may not.

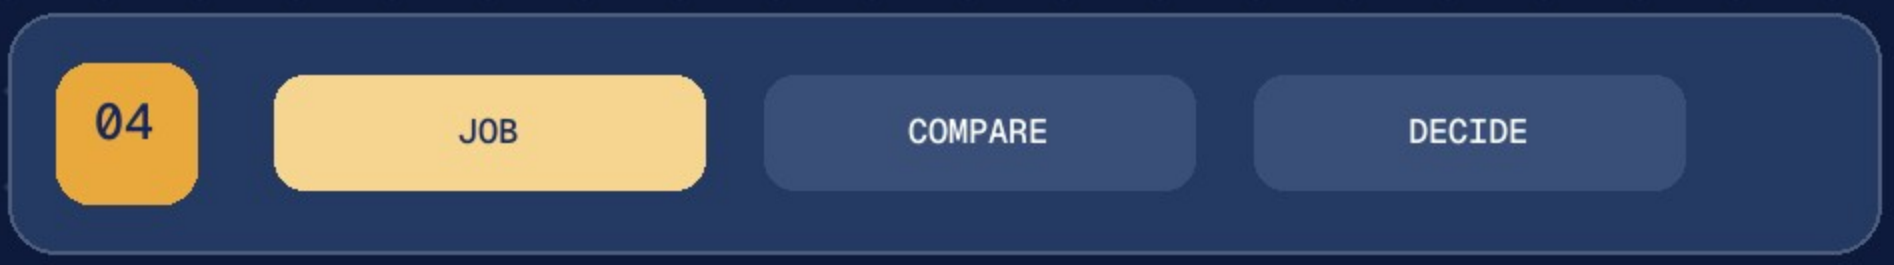

OUTSPOKEN

FINAL

Make the decision visible.

Give the buyer questions to take into their own evaluation.

Book an intro call
